If you have ever felt alone, you are not the only one. In this troubled world, it is often easy for us to feel loneliness, which strangely, can even happen when we are surrounded by other people. Even Jesus felt loneliness. There were times when those closest to Jesus were unable to be truly present for him, like in the Garden of Gethsemane or in Peter's threefold denial of him. The reality of this human condition arises out of our being created in the image and likeness of God, who Himself is a communion of persons. God is an eternal exchange of love! And as we are made in His image and likeness, so too are we called to be participants in that same love. "For God so loved the world that he gave his only Son, so that everyone who believes in him may not perish but may have eternal life." (Jn 3:16) So what are we to do when we experience loneliness? So often we try to fill the void created by being alone with worldly distractions. However, Jesus teaches us to enter into loneliness in order to purify our hearts, so that we may love others and give of ourselves. We can and must do this, confident that we are never truly alone since the God who made us is also always present with us, inviting us into the eternal exchange of love shared between the Father, Son, and Holy Spirit.

May you have a blessed week!
